

Dear Parents,

Madison Music & Arts (MMA) is a parent-volunteer run group which advocates for and supports all arts programs in the Madison School District, K-12. We raise money, make grants, and provide volunteers to enhance and enrich Madison's arts programs.

Although we know you have a lot of paperwork and checks to fill out right now, here's why we think your \$20 membership in MMA is a good investment:

- **All students K – Junior School will have music, art, or both.**
- **New programs at MHS like Ceramics and Honors Music are supported by MMA.**
- **A performance at Carnegie Hall was partially funded by Madison Music & Arts last year.**

A list of grants can be found at <http://tinyurl.com/MMA-Grants>. Thank you for your support!
