## Indemnification for Medication Self Administration

Student Name \_\_\_\_\_ Date \_\_\_\_\_

Medication \_\_\_\_\_

In accordance with N.J.S.A. 18A:40-12.3, a pupil is permitted to self-administer medication for asthma or other potentially life-threatening illnesses. This is to confirm that the district shall incur no liability as a result of any injury arising from the self-administration of medication. The parent/guardian indemnifies and holds the district and its employees harmless against any injury or claims that arise as a result of the pupil's self-administration of medication.
