

**MJS Announcements for the week
of January 22 through January 26, 2018**

Monday, January 22

6th Grade Weather Reporters

Just a reminder that our first TREPS meeting will take place tomorrow, after school, from 3:00 PM to 4:00 PM. If you have any questions please see Ms. Siso.

Every year, the Super Bowl is watched by millions of people worldwide. This year the Student Council had the idea of transforming this huge event into an opportunity to help the less fortunate. The winter is a tough time of year for pantries, and with hunger on the rise, what better time to hold a food collection?

The competition starts on **Monday, January 22nd** and will run through **Wednesday, February 7**. All of our donations will benefit the organization BE THE CHANGE. This is a follow up activity to our MLK Day theme of CARING and COMPASSION.

Our goal is to collect 1000 cans of food this year, which is roughly 2 cans per student.

The grade with the most points after the contest period will be the Souper Bowl Champion. The best part? There are no losers! All collections will benefit those struggling with hunger in our community so every donation makes a difference. Help us tackle hunger this month and join the fun!
