

Madison High School Kicking off “Support our Troops” campaign during the week of Veteran’s Day!

MHS Student Council invites you to join us in supporting our troops overseas. We have adopted a unit of 170 marines and will be sending them care packages until they return home in June 2019. Our liaison is James Stroud, older step-brother to MHS senior John Kovac and MHS freshman Michael Kovac.

Please help us support our brave marines by donating the following items ASAP (first care package shipment date 11/7/18):

- Snacks (beef jerky and other healthy types of snacks)
- Protein bars (cannot have enough of these)
- Air fresheners (the tents stink)
- Christmas lights (preparing for the holidays)
- Sports, weight lifting and men’s health magazines
- Pillows and blankets (still need more)
- Prepaid flat-rate USPS boxes or money for postage

Collection boxes located in the MHS Main Office. We will update our MHS Community with additional items to support our marines. Our second mailing date for care packages will be Monday, November 26, 2018.

Please email the Student Council Advisors Suzanne Monkemeier (monkemeiers@madisonnjps.org) or Karen DeTrolio (detroliok@madisonnjps.org) with any questions.
