

## Madison High School Girls Lacrosse

In honor of Christine Massaro the lacrosse team will be selling reversible pinnies, as well as t-shirts. The clothing is priced slightly higher than the original cost in order to fundraise. The proceeds will be donated to "Mary's Place by the Sea" (A place for women to rest during cancer treatment). It is located in Ocean Grove NJ, and operates solely on donations. We are hoping to raise as much money as possible and make a large donation as a tribute to Christine. So spread the word, the clothing is available for everyone!
